

NOTICE No. 165/2025 – PROE/UEMS, AUGUST 21, 2025

SELECTION PROCESS FOR ADMISSION TO UNDERGRADUATE COURSES FOR REFUGEES, MIGRANTS IN VULNERABLE SITUATIONS AND STATELESS PERSONS

The Pro-Rectorate of Education of the State University of Mato Grosso do Sul (UEMS), in the exercise of its powers, and in accordance with Resolution CE/CEPE-UEMS No. 2,327, of August 4, 2021, makes public the Opening of Registration for the **SELECTION PROCESS FOR ADMISSION TO UNDERGRADUATE COURSES FOR REFUGEES, MIGRANTS IN SITUATIONS OF VULNERABILITY AND STATELESS PERSONS** with a view to selecting candidates to fill remaining vacancies in undergraduate courses at the State University of Mato Grosso do Sul, with entry in the 1st semester of 2026, under the conditions established in this Notice and other legal provisions.

1. PRELIMINARY PROVISIONS

1.1. The Selection Process for Admission to Undergraduate Courses for Refugees, Migrants in Vulnerable Situations and Stateless Persons, which is the subject of this notice, will be carried out by the Student Admission Division (DIND) and decisions on the merits of the acts and facts involving the contest will be supervised by the Pro-Rectorate of Education (PROE).

1.2. According to Resolution CE/CEPE-UEMS No. 2,327, of August 4, 2021, the following are considered:

a) **A refugee** is someone who, "owing to a well-founded fear of being persecuted for reasons of race, religion, nationality, membership of a particular social group or political opinions, finds himself outside the country of which he is a national and is unable or, owing to that fear, unwilling to avail himself of the protection of that country" (Convention relating to the Status of Refugees, Art. 1º – A, No. 2, of 1951, with the amendments introduced by the 1967 Protocol).

b) **A migrant in a vulnerable situation** is one with limited capacity to avoid, resist, deal with or recover from the potential risk or situation of violence, exploitation and abuse to which they are exposed or experience in the migratory context.

c) **A stateless person** is a person not considered by any State, according to its legislation, as its national (Art. 1 of the United Nations (UN) Convention relating to the Status of Stateless Persons, 1954).

Sole paragraph. For the purposes of this Resolution, Brazilian citizens, even if binational, as well as those whose parent is Brazilian, will not be considered refugees, migrants in vulnerable situations, or stateless persons.

1.3. In accordance with Resolution CE/CEPE-UEMS No. 2,327, of August 4, 2021, individuals who are refugees, migrants in vulnerable situations, and stateless persons will be admitted if they prove:

I – the status of refuge, migration in a vulnerable situation or statelessness, in accordance with current legislation;

II – completion of secondary education in Brazil or equivalent completed abroad, recognized by the State Education Council;

1.3.1. Candidates who qualify for admission as diploma holders, after being called and enrollment is completed, must request the use of studies with the course coordinator, following the Institution's current rules.

1.4. The Selection Process will consist of the following phases:

I – Registration through the procedure described in item 3;

II – Analysis and scoring of the grades in the areas of Languages and Mathematics from the candidate's high school transcript or equivalent.

1.5. The effective registration of the candidate implies knowledge and tacit acceptance of the rules and conditions established in this notice, about which he/she cannot claim ignorance.

1.6. There will be no registration fee charged to candidates for vacancies offered by UEMS.

1.7. Candidates will be called to enroll exclusively in the courses listed in this notice, according to the classification and number of vacancies.

1.8. **The The times referred to in this notice are the official times of the State of Mato Grosso do South.**

1.9. **The information regarding this notice and other updates will be included in the UEMS Portal, at the electronic address <https://www.uems.br/pro-reitoria/proe/dind>.**

1.10. The results of this Selection Process will be valid for admission to the **1st semester of the 2026 academic year**, within the limit of available places on the courses.

1.11. The Annexes to this notice include:

- a) ANNEX I – TABLE OF EQUIVALENCE BETWEEN CONCEPTS AND GRADES;
- b) ANNEX II – APPEAL FORM;
- c) ANNEX III – SELF-DECLARATION OF MIGRANT IN A SITUATION OF VULNERABILITY.

3. REGISTRATION

3.1. Registrations will be made exclusively online, **between at 9am on the 25th August 2025 at 11:59 pm on September 14, 2025 (Mato Grosso do Sul official time).**

3.2. To register, the candidate must complete the Registration Form available at <https://www.uems.br/pro-reitoria/proe/dind/>, providing their personal data, per capita income, course of interest, and grades in the areas of Languages and Mathematics as recorded in the Academic Transcript of Education. Average (or course equivalent) or in the Certification of Teaching Average issued by institutions certifying bodies.

3.3. The candidate may enroll in only one course and must review and submit the Enrollment Form, taking responsibility for the accuracy of the information contained therein.

3.4. It is the candidate's sole responsibility to ensure the accuracy of the data provided when completing the Registration Form.

3.5. At the end of the form, to confirm your registration, when you submit the form, the message "Your response has been recorded" will be displayed.

3.6. The candidate will only be considered registered in the Selection Process after having complied with all instructions set out in this notice and having his/her data included in the List of Approved Registrations.

3.7. If registration is not completed, the candidate must contact the Reception Department/PROEC, via email at acolhimento@uems.br, to check what happened.

4. APPEALS

4.1. The candidate may appeal the Publication of the List of Approved Applications from 8:00 am on September 18th to 11:59 pm on September 19th, 2025, by sending the Appeal Form to the email dind@uems.br.

4.1.1. The candidate may submit an appeal to the List of Approved Applications, which may concern errors and/or inconsistencies in data, as per item 2 of this notice, via email to dind@uems.br.

4.1.2. The candidate may only submit the Appeal Form (ANNEX II – APPEAL FORM) once, and it will not be possible to enter new information after submission.

4.1.3. Appeals must contain justification and a digital copy of documents for proof, under penalty of non-acknowledgement.

4.1.4. The Appeal Form and scanned copy(ies) of document(s) must be in a single file and in *Portable Document Format* (PDF).

4.2. Appeals that do not comply with the form (Appeal Form) and deadline (period and time), as set out in item 2 and in ANNEX II – APPEAL FORM of this notice, will be rejected.

4.3. Appeals filed in person, by post and/or any other means will not be accepted.

4.4. Under no circumstances will there be an appeal against the decision that considers the appeal.

5. CLASSIFICATION

5.1 A classification of the candidates it will be organized in order decreasing, based on the calculation of the Candidate's General Average (MGC), from the arithmetic average of the grades in the areas of Languages and Mathematics that correspond, respectively, the Areas of Languages, Codes and their Technologies and Mathematics and their Technologies, with up to two spaces decimals separated by periods, considering the data contained in the Academic Record of Education Average (or course equivalent) or in the Certification of Teaching Average issued by institutions certifying bodies, indicated by the candidate in the Registration Form for this selection process .

5. 2. In the case of using the Academic Record, with the identification of grades for each of the series taken during High School (or equivalent course), for calculating grades in the areas of Languages and Mathematics which correspond, respectively, to the Language Areas, Codes and their Technologies (NLCT) and Mathematics and their Technologies (NMT), consider the formulas next:

$$NMT = \frac{(N1SM) + (N2SM) + (N3SM)}{3}$$
$$NLCT = \frac{(N1SLP) + (N2SLP) + (N3SLP)}{3}$$

Description:

NLCT - Language Note that corresponds to the Area of Languages, Codes and their Technologies;
N1SLP - Grade for the 1st Year of High School in the Languages subject;
N2SLP - Grade for the 2nd Year of High School in the Languages subject;
N3SLP - Grade for the 3rd Year of High School in the Languages subject;
NMT - Mathematics Note that corresponds to the Area of Mathematics and its Technologies (Mathematics);
N1SM - Grade for the 1st Year of High School in the subject of Mathematics;
N2SM - Grade for the 2nd Year of High School in the subject of Mathematics;
N3SM - Grade for the 3rd Year of High School in the subject of Mathematics.

5.3. In the case of using the High School Transcript (or equivalent course) issued after the adoption of an evaluation system on a numerical scale other than 0 (zero) to 10 (ten) points, to indicate the grades in the areas of Languages and Mathematics that correspond, respectively, to the Areas of Languages, Codes and your Technologies and of Mathematics and its Technologies, the educational institution must inform the equivalence between the two scales and the information may be given in the proof of education, presented by candidate or in craft the to be presented node act from the registration.

5.3.1. In the event that the educational institution does not inform the correspondence between the scales, the numerical grades recorded in the schooling document must have their values converted, by the candidate (Annex I), proportionally to the scale from 0 (zero) to 10 (ten), considering the maximum value of the scale adopted by the educational institution as corresponding the grade 10 (ten).

5.4. In the case of using the High School Transcript (or equivalent course) with notes recorded in the form of Concepts, without information about the corresponding values numeric, to the indication of Notes of Languages and Mathematics what correspond, respectively, to the Areas of Languages, Codes and your Technologies and of Mathematics and its Technologies, the candidate must consider equivalence between you Concepts and Grades converted to a scale of 0 (zero) to 10 (ten) points, according to ANNEX I - TABLE OF EQUIVALENCE BETWEEN CONCEPTS AND NOTES of this and dital.

5.5. In the event of a tie, the tiebreaker will be carried out considering the criteria in the following order:

- I. Highest grade obtained in Languages corresponding to the Area of Languages, Codes and their Technologies;
- II. Highest grade obtained in Mathematics corresponding to the Area of Mathematics and its Technologies;
- III. Of legal age.

6. DISCLOSURE OF RESULTS

6.1. The Final Result List of the Selection Process will be published on September 22, 2025, in a public notice, via the electronic address <https://www.uems.br/pro-reitoria/proe/dind>.

6.2. The Final Result List will contain the candidate's data according to the information filled in the Registration Form, namely: University Unit, Course, Shift, Full Name, Identification Document, Classification and Overall Average of the Candidate.

7. ENROLLMENT

7.1. The Enrollment Call notice will be published from October 6, 2025, through the electronic address <https://www.uems.br/pro-reitoria/proe/dind>.

7.2. At the time of enrollment, the following documents must be presented for review by the Selection Process Committee:

I – For Refugees: Documentation proving refugee status, issued by CONARE, for the applicant in refugee status;

II – For Asylum seekers: Asylum request protocol issued by the Federal Police;

III – For Humanitarian Reception migrants: National Migration Registration Card or Provisional National Migration Registration Document (DPRNM);

IV – For migrants who do not fall under the Humanitarian Reception situation: National Migration Registration Card or Provisional National Migration Registration Document (DPRNM) and Self-Declaration of Vulnerability (Annex III);

V – Proof of equivalent studies for admission to Higher or Technical Education.

8. GENERAL PROVISIONS

8.1. If enrollment is prevented from being completed due to a discrepancy in grades, at the time of checking the supporting documentation, the candidate will be reclassified on the waiting list and will be called, if there are vacancies after all classified candidates have been called, following the order of reclassification, in order to use their registration for this Selection Process.

8.2. The refugee, migrant in a vulnerable situation and stateless candidate will be regularly enrolled in accordance with the rules governing UEMS undergraduate courses, and will be subject to the same academic rules applicable to the Institution's Brazilian students and to Brazilian laws.

8.2.1. Refugee candidates, migrants in vulnerable situations and stateless persons may apply for scholarships and residence programs after completing their enrollment, in accordance with UEMS regulations.

8.3. Any refugee student, migrant in a vulnerable situation or stateless person who has demonstrably used false documents and/or information and/or any other illicit means, or who, at any time, loses his/her legal residence in Brazil will be removed from the course.

8.4. Any questions and additional information may be answered by the Reception Department, electronically at the email address acolhimento@uems.br.

8.5. Omitted cases are resolved by the Pro-Rectorate of Education (PROE), after consultation with the UEMS Refugee, Migrant and Stateless Persons Reception Sector.
